

*Phillip,*

*Thank you again for Alumni Day at CCR Job Club this past Saturday. It was truly a learning experience, especially when I realized looking for a new career has changed so much in the past five years.*

*As I mentioned to you on Saturday, I have applied at Commerce Bank for the Deposit Operations Manager IV. Reference #21815. Should you have any advice or direction, it would be appreciated more than you know.*

*Kind regards,*
